**\*Students, Faculty, and Staff are eligible users on the IW Campus Alert system. Parents, spouses, and other relatives are not eligible users and ineligible registrants will be administratively removed from the system. Eligible users are able to register multiple phone numbers, SMS devices (text messaging) and emails which allows parents, spouses, and others needing informed to receive messages through student, faculty or staff accounts ONLY. Students, faculty and staff, feel free to add parent and spousal information on your account. Please do not invite your parents or spouses to create an account of their own as it isn't necessary and doesn't allow for proper administration of the IW Campus Alert System.**
