

# Saving works when you: Make it a habit

## Getting into a saving mindset now could make a big difference later

### Set reachable goals

Creating a plan that fits your budget and goals can help you stick to it.

### Pay yourself first

Setting up automatic deposits can help make saving a routine so you don't have to remember.

### Use the right tools

Using financial calculators can help you track progress and see if changes are needed.

### Protect your accounts

Taking some simple steps may help ensure your savings won't end up in the wrong hands.
